How to prepare and submit an article for publication in an IOP journal using L^AT_EX 2_ε

IOP Publishing, Dirac House, Temple Back, Bristol BS1 6BE, UK
E-mail: custserv@iop.org

Abstract. This document describes the preparation of an article using L^AT_EX 2_ε and `iopart.cls` (the IOP L^AT_EX 2_ε preprint class file). This class file is designed to help authors produce preprints in a form suitable for submission to any of the journals published by IOP Publishing. Authors submitting to any IOP journal, i.e. both single- and double-column ones, should follow the guidelines set out here. On acceptance, their TEX code will be converted to the appropriate format for the journal concerned.

Ubuntu font in IEEEtran class

C.W.P.J. Hatfield
McGill University, Canada

Abstract. LaTeX users often find it difficult to adjust the font used in their documents. This document describes how to use the Ubuntu font family in the IEEEtran class. The document includes instructions for installing the font and for using the `fontspec` package to load the font. The document also includes a list of the fonts in the Ubuntu font family.
